Re: Proposed annexation to  
the City of Hawthorne,  
Rosecrans Avenue Annexation

Dear Mr. Keel:

At the meeting held on December 23, 1959, the County Boundary Commission reviewed the boundary description and map submitted on December 9, 1959, by your Director of Public Works, P. N. Scott, for the proposed annexation to the City of Hawthorne.

The boundaries submitted conform with record lines, and no corridor of unincorporated territory is created. This proposed annexation divides an existing island of unincorporated territory into two smaller islands.

The County Engineer called to the attention of the Commission that certain minor changes were desirable to clarify and perfect some of the references required to provide the definiteness and certainty intended under provisions of Section 35002 of the Government Code.

The County Boundary Commission approved the boundary description submitted and the alternate description recommended by the County Engineer and respectfully suggests the alternate description be used in all proceedings relating to the proposed annexation.

A copy of the approved alternate description and a list of special districts involved are enclosed for your use.

Very truly yours,

GORDON T. NESVIG
